A large photograph of the Merlion statue in Singapore, with Marina Bay Sands in the background, set against a sunset sky. The Merlion is a white stone sculpture of a lion's head and a fish's body, spouting water. The Marina Bay Sands is a prominent building with a unique design, featuring three towers connected by a skybridge. The sky is a mix of orange, pink, and blue, indicating the time is either sunrise or sunset. The water in the bay is calm, reflecting the colors of the sky.
